

## Commercial Signage

Jarob, Inc. fabricated and installed a variety of signage and graphic elements at Hope College's newly constructed DeVos Field house in Holland, Michigan.

- Jarob fabricates and installs screen-printed banners inside the field house each time a Hope team wins a new championship title.

- Cutout aluminum lettering identifies different sections of the field house.

- Commemorative plaques are screen-printed aluminum mounted on wood.

- • Department, restroom and section identifying signage are fabricated from photopolymer and bright dot Braille system to brushed aluminum and metal.
- • A donor plaque features text screen printed on Plexiglas and mounted to metal.
